PLAN NEW SELECT RESIDENCE PLACE

Trust Company Will Convert Gamble Home Block Into Site for Private Dwellings.

Plans are being prepared by the Hoibrook-Blackwelder Real Estate Trust Company for making a select residence place out of the well-known Gamble home block between Plymouth, Julian, Hamilton and Hodiamont avenues.

It is intended to improve the property by running a private street through the block from Hamilton to Hodiamont avenues and erecting lodge gates at either entrance. The street will be paved with brick, granitold sidewalks laid and other features attended to which will make it one of the most beautiful places in the

city.

The ground is one of the highest points in the city and covered with forest trees. The property is surrounded by the Page, Olive and Suburban car lines, making it accessible from all parts of the city.

The company yesterday sold for the Ashland Realty Company the remainder of the triangular tract on Julian and Etzel avenues, west of Clara avenue, to J. Mauntel, who contemplates building on the property. The property sold from 220 feet on Julian avenue, by a depth of 154 feet on the west and 72 feet on west, running through to Etzel avenue.

The Holbrook-Blackwelder Company has lately disposed of two entire city blocks in this locality, which is in a district Just north of Chamberlain Park and is part of Gamble's "Rose Hill." About one hundred new buildings are now being erected on the property.

Sidney Street Residence Sold. Albert G. Blanke has sold for the Verborg Realty Company the new nine-room brick residence, No. 3540 Sidney street, lot 32x150, to L. W. Bundy of the William

Barr Dry Goods Company, for \$6,800 Mr.

Bundy bought for a home.

W. K. Bixby Invests in Olive Street William K. Bixby has bought, through the Holbrook-Blackwelder Real Estate Trust Company, the three-story building, Nos. 1415-1417 Olive street, for \$50,000. The building is arranged in stores on the ground floor, one of which is occupied by
